

**Oaks Primary Academy  
Sport Premium 2023 - 2024**

The Government has provided additional funding to provide new, substantial primary school sport funding in order to improve the provision of physical education and sport in primary schools. This funding can only be spent on provision for PE and sport in schools. Schools will be held accountable for how they have used the additional funding to support pupils progress and participation in PE and school sport.

Allocation: All schools with 17 or more primary-aged pupils will receive a lump sum of £16000 plus a premium of £10 per pupil.

Sport and Physical Education underpins our curriculum, personal development and community togetherness at Oaks. We identify the platform it provides for children to learn in different ways and how it helps to promote an ethos of health and wellbeing.

In planning how to allocate the grant we have worked to the following principles:

- all children benefit regardless of sporting ability
- children are given the opportunity to compete in tournaments with other schools
- staff have access to training opportunities and continued professional development
- some activities may be subsidised so that pupils do not miss out due to financial constraints
- we make use of collaborative and partnership working

2023-2024 Grant: £18,140 (£16K + £10/pupil)						
	Success Criteria	Expenditure	RAG			Impact
			Nov	March	July	
Subsidise a specialist PE teacher to deliver a comprehensive PE curriculum which includes a wide range of opportunities beyond the classroom	<ul style="list-style-type: none"> <li>• Outstanding PE is timetabled weekly whilst being planned alongside other curriculum areas and feeding into key lines of inquiry wherever possible.</li> <li>• PE lessons complement the personal development framework at Oaks Primary Academy and improve health and well being.</li> <li>• All pupils from Reception to Year 6 receive high quality PE lessons for a minimum of 2 hours per week which present them with opportunities to develop key skills to be successful across a range of disciplines.</li> <li>• All KS2 pupils attend high quality swimming lessons for three terms. The length of individual lessons have increased from half an hour to 45 minutes with a new provider and new success framework with the aim to increase attainment and progress for all</li> </ul>	Proportion of PE Coach & CPD £10825  Resources £1000  Funding for swimming lessons £4000				Students at all ages develop their skills and knowledge in physical education with enthusiasm and passion. They not only learn about sports but also understand the importance of healthy living and the positive effects of exercise on social and mental well-being.  Skills are taught systematically year upon year and are interwoven in a transdisciplinary manner.  All students, regardless of their

	<p>children of all backgrounds and initial ability levels.</p>					<p>abilities and backgrounds, have the opportunity to enjoy PE, acquire new skills, and excel in various sports.</p> <p>The school provides numerous opportunities for children to succeed and showcase their skills in competitive environments, both within the school and at school-supported external events.</p>
<p>Continuou s Profession al Developm ent</p> <p>Staff training</p>	<p>The PE lead continues to seek high quality internal and external opportunities for CPD to grow her knowledge whilst upskilling staff across the academy to ensure that our level of provision is the highest possible, regardless of staffing complications.</p> <p>PE lead takes a central role in CPD sessions, working to interleave physical learning through the PYP and other National Curriculum areas whilst sharing best practice and seeking moderation opportunities.</p> <p>Shared planning Google Drive ensures that all staff members are prepared to lead PE with clear schemes of work and assessment frameworks.</p>	<p>CPD opportunities, courses, external specialists £1000</p>				<p>In collaborating across the Cluster of Academies, our PE lead has managed to broaden their reach, imparting skills and knowledge on a broader scale to empower practitioners to teach highly effective PE.</p> <p>PE Lead has led cluster hubs to bring together practitioners to share best practice and overcome barriers to progress and attainment.</p> <p>A focus has developed on engaging disadvantaged and SEN learners.</p>
<p>Broad Curriculum Offer</p>	<p>The status of PE is as high as possible, so that children understand the interconnectedness between a healthy body and mind, whilst also recognising how physical well being provides the platform for success across all other areas of life.</p> <p>The PE curriculum underpins the Personal Development Framework at Oaks, providing a crucial platform to demonstrate personal growth, the PYP descriptors of personal development and our own Three C core values.</p>	<p>As stated above</p>				<p>A focus on careers has interlinked with PE and health and wellbeing. The profile for PE has heightened as a result.</p> <p>Children are more aware of the link between health, wellbeing and healthy choices whilst understanding how communities, charities and careers can all benefit from healthy living.</p>

	Trips and events are plotted through the SMSC calendar to broaden horizons for the children of Oaks.					Children have also looked to take action by channelling opportunities to utilise their health and wellbeing (daily mile and charity fundraising).
Competitions and tournaments both locally and in the wider community	<p>An extensive timetable of internal Leigh Academies Trust and District/County competitions are planned across the year in a range of sports, for a range of abilities and inclusive to all.</p> <p>The offer of sporting opportunities is broadened upon previous years and monitored to ensure that opportunities are presented for all pupil groups and backgrounds (Girls, Boys, Ethnicity, EAL, SEN)</p>	£2000				Oaks have competed in more sports competitions than ever and are looking to provide a more varied offer of sports to present all children (particularly those from a disadvantaged background) the chance to compete in a broader range of sports.
Co-Curricular Club Provision	To continue providing a range of after school clubs which are available to all age ranges. Rotation termly of sports and activities provided.	External co-curricular club provision and competitions £3000				Our co curricular offer has broadened, offering more sports, enhanced resources and more staff are delivering sport and health based clubs.
